3.0 QUIET TIME

Having become born again, you are now a new creature. Like a new born baby, you need to begin to learn how to work as a Christian. All you have at this stage is a divine see (1peter 1:23, 1John 3:9) which must be watered and nurtured to full growth so that you may discover and fulfill the purpose of your conversion. The only way you can enter into this experience is by entering into fellowship with the Lord through His Holy Spirit. You need to know how to talk to Him and how to hear Him.

A personal time with God is therefore essential to the realization of the Christian objective, which is to grow on, and up into Him in all things; thus
